

Anjali, Kulu

Kulu came from Babalu
Eyes like rain saw into you
Kulu say throw my ashes in the sea
Kulu, Kulu, Kulu
Kulu, Kulu, Kulu
With Ganesh beside me
Mataji too, Shiva
Lord Shiva, I'm begging to you

Kulu, Kulu
The ocean deep as wounds upon my feet
I've stalked this earth a million times before
And I know I've paid for my crime 'cause life's unkind
Kulu, Kulu, Kulu
'Cause life's unkind
