

Anjeza Shahini, The image of you (Eurovision 2004)

How strange the feeling in your soul
When love invades your very being
Another me or so I'm told
And life takes on another meaning.
Day after day, I go through the motions,
Stumbling my way, life is a blur
Slave of my love, of my emotions
You're in my eyes, you're in my heart
One kiss, one heartbeat, in time,
a kiss, the moment, is mine.
I close my eyes, I breathe
I'm Queen of the world of Make Believe!!
You make me feel, a little crazy
You make me see your tears are true
You make my days and nights so hazy,
You make me feel the image of you.

I feel, I love, this life
