

# Anjulie, Big Things

You'll see my face  
on the cover of a magazine some day,  
You'll hear my voice blaring out your car radio,  
Hip hop kids with radio hits, im trading my (lyrics missing) to pop kids, Broken scenes, American D  
do rock kids,

Chorus

Imma Imma do big things (x6)  
du du du big things  
I dont care what you say,  
what you say,  
you can say what you wanna say  
I dont care what they say,  
what they say,  
they can say what they wanna say,  
Hey now, you dont know me better,  
Bet your gonna know me better,  
yeh im only one dream away,  
Yeh i look a little dizzy,  
But im on a real mission yeh  
Take a real long look at my face,  
Lets not stop,  
The cultures gonna pop,  
Im breaking up all the topics,  
Signals gone im selling my song,  
People already got it,  
(Chorus)  
(Instrumental)  
Imma Imma do big thing,  
Imma Imma do big things
