

# Anjulie, The rain

Chorus:

I got caught out in the rain  
Never fall in love again with you with you with you

Verse 1:

Its been about a year since we last spoke and  
Every day I thought about you thought you oughta know  
Uh-huh what do I do with this fire inside of me  
Always been you baby Im desiring  
I know youre no good for me  
And I know youre like a drug its killing me  
But I dont wanna get my fix no  
Baby I dont wanna let you in nooo  
(repeat Chorus)x2

Verse 2:

Started in October by June it was over  
Said youre still in love but you were tryin to get over  
You think of me daily picture our babies  
Said youre tryin to change and that you wanted to save me  
The heat of the summer was pulling me under  
I knew I knew better but wanted to rediscover  
Familiar feelings sexual healing  
But when I hit the water I was stuck in the deep end

Verse 3:

Doctor doctor something wrong with me again  
And again still the same boy hurtin me  
I open up let him in its so torturous  
The sickest part is that I think Im liking it  
Doctor doc why dont he leave me be?  
He got a knife in my back stop turning please  
Cause I cant take no more this time  
Never again go on get out of my life  
(repeat Chorus)x2

with you with you with you

Verse 4:

You tell me you love me you la la la love me  
Boy you dont even love you howd I expect you to love me  
Was good till we lost it Im getting off topic  
Story hasnt ended but just before we drop it  
I called on the weekend you said you were sleepin  
I wanted to come over wake you up or just creep in  
Was sunny and shinin my bike I was ridin  
Raced over to your house faster than a bolt of lightnin

Verse 5:

Parked on the sidewalk but just when I looked up  
I saw another shadow was inside of your window  
Scared to look further as soon as I saw her  
The sky turned black heard a roar of thunde
