

Ann Beretta, Just What I Needed

I dont mind you coming here wasting all my time
Because when your standing oh so near you kinda blow my mind
It's not the perfume that you wear
It's not the ribbons in your hair And
I don't mind you coming here wasting all my time
I don't mind you hanging out talking in your sleep
It doesn't matter where you've been as long as it was me
It's not the perfume that you wear
Not the flowers in your hair
I dont mind you hanging out talking in your sleep
I guess your just what
I needed
I needed someone to need
I guess your just what
I needed
I needed someone to bleed
