Ann Lee, Smooth and Sweet

I could give my life to you If you tell me what you want I'll do what you want me to If it's really really what you want With just a word you reach to me I will do all that i can So much that you can teach me baby If you say you'll be my man Smooth and sweet - feel your touch Can you make this a reality Smooth and sweet - i want so much For you to become a part of me I can move my world right now If you tell me what you need Even turn it up-side down If it's really really what you need Hold out your arms and reach for me I will do all that i can Now that you know i need you baby Won't you say you're be my man
