

Ann-Margret, Someday Soon

Someday soon you say you're gonna settle down
Someday soon you're gonna stop your running around
But what you say don't mean a thing
I won't believe a word until I'm wearing your ring
And someday soon ain't soon enough for me
(Hey, ho, hey, someday soon)
Hey, ho, hey hear what I say
Someday soon you say you're gonna be all mine
(Hey, ho, hey, someday soon)
It won't be long, you just need a little time
But you fool around while I sit and cry
I'm sick and tired of being just your old stand by
And someday soon ain't soon enough for me
(Hey, ho, hey, someday soon)
Hey, ho, hey hear what I say
(Hey, ho, hey, someday soon)
Till your two timing days are through
It's bye, bye, baby, I'm through with you
'Cause someday soon, ain't soon enough for me
(Hey, ho, hey, ho, someday soon)
Hey, ho, hey hear what I say
(Hey, ho, hey, ho, hear what I say)
Hey, ho, someday soon
(Hey, ho, hey, ho, someday soon)
Hey, ho, hear what I say
(Hey, ho, hey, ho, hear what I say)
Hey, ho, someday soon
(Hey, ho, hey, ho, someday soon)
Hey, ho, hear what I say
(Hey, ho, hey, ho, hear what I say)
Hey, ho, someday soon
