

Ann Wilson, Darkness Darkness

Darkness, darkness, be my pillow
Take my head and let me sleep
In the coolness of your shadow
In the silence of your deep
Darkness, darkness, hide my yearning
For the things I cannot be
Keep my mind from constant turning
Toward the things I cannot see now
Things I cannot see now
Things I cannot see
Darkness, darkness, long and lonesome
Ease the day that brings me pain
I have felt the edge of sadness
I have known the depth of fear
Darkness, darkness, be my blanket
Cover me with the endless night
Take away, take away the pain of knowing
Fill the emptiness of right now
The emptiness of right now
Emptiness of right now
Be my pillow
Take my hand and let me sleep
In the coolness of your shadow
In the silence, the silence of your deep
Darkness, darkness, be my blanket
Cover me with the endless night
Take away, take away the pain of knowing
Fill the emptiness of right now
Emptiness of right now
Emptiness of right, oh yeah, oh yeah
Emptiness, emptiness, oh, oh, oh, oh
Darkness, darkness, be my pillow
