

Ann Wilson, Get Together

Love is but a song we sing
Fear's the way we die
You can make the mountains ring
Or make the angels cry
Though the bird is on the wing
And you may not know why
Come on people now
Smile on your brother
Everybody get together
Try to love one another right now
Some will come and some may go
It will surely pass
When the one that left us here
Returns for us at last
We are but a moment's sunlight
Fading in the grass
Come on people now
Smile on your brother
Everybody get together
Try to love one another right now
Come on people now
Smile on your brother
Everybody get together
Try to love one another right now
Come on people now
Smile on your brother
Everybody get together
Try to love one another right now
If you hear the song I sing
You will understand
You hold the key to love and fear
All in your trembling hand
And just one key unlocks them both
It's there at your command
Come on people now
Smile on your brother
Everybody get together
Try to love one another right now
Yeah, come on people now
Smile on your brother
Everybody get together
Try to love one another right now
Right now, right now
