

# Ann Wilson, We Gotta Get out of This Place

In this dirty old part of the city  
Where the sun refused to shine  
People tell me there ain't no use in tryin'  
My little girl, you're so young and pretty  
And one thing I know is true  
You'll be dead before your time is due  
Yes, I know  
Watch my daddy in bed is dyin'  
Watched his hair been turnin' gray  
He's been workin' and slavin' his life away  
I know  
He's been workin' so hard  
I've been workin' too, baby  
Every night and day, day now  
Yeah, yeah, yeah, yeah  
We gotta get out of this place  
If it's the last thing we ever do  
We gotta get out of this place  
Girl, there's a better life for me and you  
Yeah, oh yeah  
My little girl, you're so young and pretty  
And one thing I know is true  
You'll be dead before your time is due  
Yes, I know  
Watch my daddy in bed is dyin'  
See his hair been turnin' gray  
He's been workin' and slavin' his life away  
I know  
I've been workin' too, baby  
Every, every, every day  
Whoa, yeah  
Yes, I've been workin', workin', workin', workin'  
We gotta get out of this place  
If it's the last thing we ever do  
We gotta get out of this place  
Girl, there's a better life for me and you  
We gotta get out of this place  
If it's the last thing we ever do  
We gotta get out of this place  
Love, there's a better life for me and you  
I know it little girl  
We've been workin' now  
We gotta get out of here  
Oh yeah, oh yeah, oh yeah
