

Ann Winsborn, La La Love On My Mind

La la la la la la (x2)

Mhmm...

You're the la love of my life

One way ticket and of life to live

Pockets full of sunshine

Lots of love to give

Longing for your kisses

Longing for your arms to be holding me.

I took the Friday night flight

Paris here I come

Couldnt live without you

You're the only one

Got the note you wrote me know it all by heart

Oh nothings gonna keep us apart.

There is only...

REFREN

La la love on my mind,

Gonna leave my la la love on the line,

Baby just surrender, you'll be la lucky tonight.

Looking out for ooh la la la lamour

And Im gonna la la love you to sure

Theres no doubt about it,

You're the la love of my life.

Dont care about my suitcase,

Gonna grab a cab,

Let your arms unfold me

Give you all I have

Boy you got me dreamin

You're a kiss away

In your arms Im going to stay

There is only...
