

Anna Abreu, Are You Ready

Are you ready, are you ready, are you read for me
Are you ready let's go
Oh, oh, oh
Oh, oh, oh

Pull up to the club we don't walk just stride,
We know how to sell it all the fellas say hi,
Here with all the people that we're meeting inside,
It's gonna be our night, it's gonna be our night,
When I hear he dance floor kickin' that groove,
DJ's got the beat to make your body go ooh (ooh),
Everybody's checkin' as I start to move,
It's gonna be our night, it's gonna be our night

Are you ready, are you ready, are you read for me
Are you ready let's go

If you come to party and you're feelin' naughty,
When you shake your body, go oh, oh, oh,
If your hands are dirty and you're feelin' flirty,
Then take off your shirt and go oh, oh, oh,
As the club is shakin' and the floors vibratin',
Everybody's saying you move oh, oh,
So, if you're ready for me, come and sing it with me,
If you feel me, go oh, oh, oh

Sexy senorita shakin' on by,
Comin' on to you with my slither and my slide,
My whole body's moving,
And my hips are on fire, I got what,
You want what you've always desired,
Feelin' sensations outta control,
Can you feel the beat as it rips your soul,
Everybody's freakin', it's the weekend oh, oh,
It's gonna be our night, it's gonna be our night

Are you ready, are you ready, are you read for me
Are you ready let's go

If you come to party and you're feelin' naughty,
When you shake your body, go oh, oh, oh,
If your hands are dirty and you're feelin' flirty,
Then take off your shirt and go oh, oh, oh,
As the club is shakin' and the floors vibratin',
Everybody's saying you move oh, oh,
So, if you're ready for me, come and sing it with me,
If you feel me, go oh, oh, oh

Keep your body movin'
Keep your hotty body groovin'
There's nothing to be losin'
Keep your hands on me

Keep your body movin'
Keep your hotty body groovin'
There's nothing to be losin'
Keep your hands on me

Keep your body movin'
Keep your hotty body groovin'
There's nothing to be losin'
Keep your hands on me

Keep your body movin'

Keep your hotty body groovin'
There's nothing to be losin'
Keep your hands on me

oh, oh, oh, oh, oh, oh
oh, oh, oh
