

# Anna Grace, You make me feel

Inside out, upside down  
There's no doubt  
Boy you're driving me crazy  
Mystified, hypnotized  
Cannot fight  
Oh resistance is fading  
Come over and take my hand  
I want you to be my man  
I know you don't understand  
I'm going crazy  
You're playing the staring role  
Convincing my hungry soul  
I'm losing my self control  
I'm going crazy

Ref:

You make me feel, so real  
You are my obsession  
You make me feel, so real  
You are my obsession  
You make me feel, so real  
You are my obsession  
You make me feel, so real  
You are my obsession  
All my vein, down the drain  
Can't contain  
Boy you're driving me crazy  
So divine, blow my mind  
On cloud nine  
Oh resistance is fading  
Come over and take my hand  
I want you to be my man  
I know you don't understand  
I'm going crazy  
You're playing the staring role  
Convincing my hungry soul  
I'm losing my self control  
I'm going crazy

You make me feel, so real  
You are my obsession  
You make me feel, so real  
You are my obsession  
You make me feel, so real

You are my obsession
