

# Anna Karwan, Ferries

Ferries flowing empty ferries  
Fame on place for lonely heroes  
Book an tripping back  
Ferries flowing empty ferries child  
With you i can spot the light .  
I love you, I need you, I want you hold me tight make me right like anybody  
I love you I need you please hold me tight  
Ferries as wrapping worries child  
And than on your heart's bleeding down  
Down on lovely share  
Ferries neverending ferries when you stay around  
Ferries neverending stories when you stay around  
I love you, I need you, I want you hold me tight make me right like anybody  
I love you, I need you, I want you hold me tight make me right like anybody
