

# Anna Margaret, New Boyfriend

Im not your average girl  
Living In You ordinary world  
Im mean and hot like a G5  
What he dont understand  
This girl, she got it on demand  
I know what I just want  
You seem so so so sincere  
Spittin lies all over by ear  
Thinking I dont know the score  
You can mess with her  
But I want more  
I need a new boyfriend  
Someone who appreciates  
All the things that make me so great  
Oh oh  
I need a new boyfriend  
Treats me like a superstar  
Always keeps a smile on my face  
Oh oh  
I promise you one thing  
Youll never let me down again  
Just watch me walk on by  
You get what you deserve  
Tell me, baby does it hurt  
Im tired of playing around  
I thought that it was real  
Now, I know what not to feel  
Wish it  
Was all a dream go on and mess her  
But, not wish me  
I need a new boyfriend  
Someone who appreciates  
All the things that make me so great  
Yeah, I need new boyfriend  
Treats me like a superstar  
Always keeps a smile on my face  
Yeah  
I can choose any boy a skater  
Punk or cowboy  
Maybe one with seven charms  
Could be from 3 1 0  
Paris, France, of Tokyo to thing  
You are the only one, yeeah  
Na na na na na  
Na na na na na  
Na na na na na  
Oh oh yeah  
(Ha ha ha)  
I need a new boyfriend  
Someone who appreciates  
All the things that make me so great (so great)  
I need new boyfriend  
Treats me like a superstar  
Always keeps a smile on my face  
(Yeah yeah)
