say mi whine up the ting  
till it pile up  
big bumper  
girl, just a whine and it wile up  
dem a squad  
me never stop till il pie up  
mind enough so it might

you dance like just like  
you mean it  
dance like you're on fire  
and you want me to know  
you move like you mean it  
shawty  
see the look on your face  
you don't wanna fight  
I wanna make love  
maybe both

I've been looking at you /2x  
watching  
the way that you whine it  
and pop it  
one more time, gil  
whine it, pop it,  
the drink got me feeling alright  
pretty little thing  
I could watch it all night  
pull up on the bumper, girl, I just might /2x

baby, push back when I jump behind it  
jump behind it  
so when I jump behind it  
push back on me  
so baby push back on me when jump behind it  
baby let me know you like it  
tonight, let's give them something to see

Everybody singing  
Everybody singing

said I want you to mean it  
you got me on fire  
I semll the smoke  
come on  
grab me by the waist  
if love me rel hard  
caby, looking at me crazy  
take me to the bar  
couple shots, no chaser  
my booty amazing  
came on baby  
chase it  
back to the flock  
give her space and

I've been looking at you /2x  
watching  
the way that you whine it  
and pop it  
one more time, gil  
whine it, pop it,  
the drink got me feeling alright
