## Anna Nalick, Band Of Gold

Now that you're gone All that's left is a band of gold All that's left of the dreams I hold is a band of gold And the memories of a love could be if you were still here with me

You took me from the shelter of my mother I had never known or loved any other We kissed after takin' vows But that night, on our honeymoon Well, we stayed in seperate rooms

Yeah, I wait in the darkness of my lonely room Filled with sadness, filled with gloom and hoping soon That you'll walk back through that door And you'll love me like you tried before

Yeah, since you been gone All that's left is a band of gold All that's left of the dreams I hold is a band of gold And the dream of of a love could be if you were still here with me

Oh, doncha know that I wait in the darkness of my lonely room Filled with sadness, filled with gloom and hoping soon That you'll walk back through that door And you'll love me like you tried before

Since you been gone All that's left is a band of gold I said all that's left of the dreams I hold is a band of gold And the dream of of a love could be if you were still here with me
