

# Anna Ternheim, Bridges

I like the fact that you depend on me  
In every possible way  
When your eyes wander off desperately  
That you never look straight  
I enjoy when you hesitate  
'Cause I don't mind to wait  
Somehow it's keeping me safe  
All I want is you, all I need is you  
Everything slips away  
I won't lose you  
No, you're gonna stay with me  
I don't mind you're taking after me  
No thoughts of your own  
Lost for words repeating constantly  
No, no, I don't mind  
In fact it calms me down  
All I want is you, all I need is you  
Everything slips away  
The thought of us  
Gets me through the day  
All I want is you, all I need is you  
Everything slips away  
I won't lose you  
No, you're gonna stay with me  
I won't lose you  
No, you're gonna stay with me
