

# Anna Ternheim, Feels Like Sand

I know you have no place left to go  
I'm your last escape  
So I've been told  
You get paranoid  
Drinking on your own

I've been replaced by you before  
I'm just another corpse along your road  
No regretful eyes  
Can win my sympathy this time

Halo, halo  
Above your head today  
Saying you're a changed man now

Halo, halo  
Above your head today  
Feels like sand in my eye

Giving every promise bitter ends  
Disappointment walks with you my friend  
And I am not the only one you hurt  
A dozen times or more  
Regretful eyes can't win my sympathy this time

Halo, halo  
Above your head today  
Saying you're a changed man now

Halo, halo  
Above your head today  
Feels like sand in my eye
