Anna Ternheim, Such A Lonely Soul (Naked Vers

She'll ask you where you've been You'll be hours late When you finally come home She'll suspect something's wrong Make sure to erase all your outgoing calls

Why trouble her lonely soul She doesn't have to know She doesn't have to know Why tell her It would hurt her so She's such a lonely soul Such a lonely soul

She'll be watching you for sure Afraid to find out What she already knows And she'll try to stay calm 'Cause you'll be so hard to get to And she's still in love

Why trouble her lonely soul She doesn't have to know She doesn't have to know Why tell her It would hurt her so She's such a lonely soul Such a lonely soul
