

Anna Tsuchiya, My Lullaby

Aiyoku wa umoreta abazure no dream
Muyou na karada wo musaborinasai
Shuuaku to kashita kodoku na girl
Shitataru namida wa hitan so sad
Yeah it's my life
Let's forget about the past
But if God saw gained an insight in my heart
Sing to me a lullaby as I can't sleep
Gukou no rougoku iki basho ga nai
Jiyuu wo motomete oyasumi nasai
Yeah it's my life
Let's forget about the past
But if God saw gained an insight in my heart
Sing to me a lullaby as I can't sleep
Kodoku na little girl
Hitan so sad
Kodoku na little girl
Oyasumi nasai
Yeah it's my life
Let's forget about the past
But if God saw gained an insight in my heart
Sing to me a lullaby as I can't sleep
But if God saw gained an insight in my heart
Sing to me a lullaby as I can't sleep
