Anna Tsuchiya, Zero

My reality is something weird My unfriendly smile on my way Nothing new this wearisome day This world is full of narcissist The girls dressed are just a put-on Oops! i'm all thumbs, i'm not like you Everybody's raping me. everybody's lying to me Everybody's looking at me. everybody's laughing at me So what! don't care what people say. I'm going my way. i believe in my way I'm better than you guys I'm living for my sake, not for their sake, yeah! I'm finding my way. i'm finding my love I'm not stupid like you All that i need is, i only need is selfless love All i don't need is, i only need is selfless love They think i'm a lucky girl But i'm just doing what i want Hey everybody, they're jealousy about me You guys are wrong, be truth to yourself Throw your guns & amp; weapons right now Let's enjoy your beautiful life with me Everybody hates me. everybody's waiting for me Everybody's hurting at me. everybody's hunting for me So what! please leave me alone! I'm going my way. i believe in my way I'm better than you guys. I'm living for my sake, not for their sake, yeah! I'm finding my way, i'm finding my love I'm not cheap like you guys All that i need is, i only need is selfless love All i don't need is, i only need is selfless love I'm going my way. i believe in my way I'm better than you guys I'm living for my sake, not for their sake, yeah! I'm finding my way. i'm finding my love I'm not stupid like you All that i need is, i only need is selfless love All i don't need is, i only need is selfless love
