

# Anna Vissi, Forgive Me This

No I didn't anticipate this  
no it wasn't supposed to end like this  
but something inside  
holds on so deep so tight  
I have to decide  
and give up this fight.

CHORUS:

But I can feel you all around me  
sounds of love still resounding  
and I'm praying to you  
forgive me this  
I look to heaven and  
fall down on my knees  
look at my hands up  
I hope you will believe and  
I'm praying to you forgive me this.

Hey you, well you never thought  
it's gonna happen to you.  
Youth is dangerous  
when the heat of passion rules  
and if I could, well I would  
have done it right  
I toss and turn  
when I think of what  
you might have looked like

CHORUS:

But I can feel you all around me  
sounds of love still resounding  
and I'm praying to you  
forgive me this  
I look to heaven and  
fall down on my knees  
look at my hands up  
hope you will believe and  
I'm praying to you forgive me this.

But in my dreams I see you safe  
safe from harm.  
In these fields of heaven you're free  
free to run oh oh oh yeah yeah yeah

CHORUS:

But I can feel you all around me  
sounds of love still resounding  
and I'm praying to you  
forgive me this  
I look to heaven and  
I fall down fall down  
begging you please  
down on my knees  
forgive me forgive me this  
and I'm praying to you

I can feel you  
I can hold you  
I can see you  
I can tough you

and I'm praying to you forgive me this
