

Anna Vissi, No Tomorrow

Don't make me cry
please don't say goodbye
Let's both pretend
Everything is alright
give me your lips
baby hold my tight
say you will stay
always by my side

don't say you have to go
I don't wanna know oh no no

I wanna love you like there's no tomorrow
let's make this night last the whole life ahead
I wanna love you like there's no tomorrow
(Ela moro mou ke pes s' agapo)

Set your heart free
love has no regret
ride every moment
as far as it gets
give me your lips
baby hold my tight
say you will stay
always by my side

repeat chorus

ohh the end of the world
the end of the world
