

# Anna Waronker, How Do You Sleep?

I know, I know, I know you want to see me fall  
I hope, I hope, I hope you know I'm not that small  
I'm big, I'm big, I'm bigger than you wanted to believe  
For that you'll keep coming back to haunt me  
Congratulations, they are in order  
Is that enough for you  
If looks could kill they have to kill you  
How do you sleep at night?  
With all your demons at your side  
And every time you use your name  
There's a girl like me going down in vein  
Well, I'm sick, I'm sick, I'm sick of all this shit  
And now I'm tired, I'm tired, I'm tired of being picked on  
And I know, I know, I know  
That you've got something that I want  
For that you'll keep coming back to haunt me  
Congratulations, you look the part now  
Is that enough for you  
If looks could kill they have to kill you  
How do you sleep at night?  
With all your demons at your side  
And every time you use your name  
There's a girl like me going down in vein  
And you might think that you're breaking through  
You'll never last, no, not a girl like you  
And I'm not gonna let you push me  
'Cause I'm gonna push you  
I'll push you, I'll push you  
How do you sleep at night?  
With all your demons at your side  
And every time you use your name  
There's a girl like me going down in vein  
Well, how do you sleep at night?  
With all your demons at your side  
And every time you use your name  
There's a girl like me going down in vein
