

Anne-Marie & James Arthur, Rewrite The Stars [f

you know i want you
it's not a secret i try to hide
you know you want me
so don't keep saying our hands are tied
you claim it's not in the cards
and faith is pulling you miles away
and out of a reach from me
but you're hearing my heart
so who can stop me
if i decide it's on my destiny?

what if we rewrite the stars?
say you were made to be mine
nothing could keep us apart
you'll be the one i was meant to find
it's up to you, and it's up to me
no one could say what we are to be
so why don't we rewrite the stars?
and maybe the world could be ours tonight

you think it's easy
you think i don't wanna grow onto you
but there are mountains
and there are doors that we can't walk through
i know you're wondering why
because we're able to be just you and me within these walls
but when we go outside
you're gonna wake up and see that it was hopeless after all

no one can rewrite the stars
how can you say you will be mine
everything keeps us apart
and i am not the one you were meant to find
it's up to you, and it's up to me
when everyone tells us what we can be
and how can we rewrite the stars
say that the world can be ours tonight

all i want is to fly with you
all i want is to fall with you
so just give me all of you
it feels impossible
it's not impossible
is it impossible?
say that it's impossible

and can rewrite the stars
how can you say you will be mine
everything keeps us apart
and i am not the one you were meant to find
it's up to you, and it's up to me
when everyone tells us what we can be
and how can we rewrite the stars
say that the world can be ours tonight

you know i want you
it's not a secret i try to hide
but i can't have you
we're bound to break and my hands are tired
