

Anne-Marie, Leave (Get Out)

Mmm, yeah, yeah
I've been waiting all day here for ya bae
So won't cha come and sit and talk to me
Tell me how we're gonna be together, always
I hope you know that when it's late at night
I hold on to my pillow tight
And think of how you promised me forever, yeah
Could make me feel this way
And this is just a chance to say

Get out, right now
It's the end of you and me
It's too late, I can't wait for you to be gone
'Cause I know
About her and I wonder
How I bought all the lies
You said that you gonna treat me right
But you was just a waste of time, yeah

Tell me why you're looking so confused
When I'm the one who didn't know the truth
How could you ever be so cold?
To go behind my back and call my friend
Boy, you must have fallen and bumped your head
Because you left her number on your phone, yeah
Maybe I'm the one to blame, ooh
But it didn't work out that way

Get out, right now
It's the end of you and me
It's too late and I can't wait for you to be gone
'Cause I know
About her and I wonder
How I bought all the lies
You said that you gonna treat me right
But you was just a waste of time, yeah

I wanted you right here with me
But I have no choice, you've gotta leave
Because my heart is breakin', uh
With every word I'm sayin'
I gave up everything I had
On something that just wouldn't last
And I refuse to cry
No tears will fall from these
Eyes, eyes, eyes
No

Leave! Get out, right now
It's the end of you and me
It's too late (it's too late)
About her and I wonder
How I bought all the lies
You said that you gonna treat me right
But you was just a waste of time, yeah
