

Anne Murray, Could I Have This Dance

I'll always remember the song they were playin'
The first time we danced and I knew
As we swayed to the music and held to each other
I fell in love with you
Could I have this dance for the rest of my life?
Would you be my partner every night?
When we're together, it feels so right
Could I have this dance for the rest of my life?
I'll always remember that magic moment
When I held you close to me
As we moved together, I knew forever
You're all I'll ever need
Could I have this dance for the rest of my life?
Would you be my partner every night?
When we're together, it feels so right
Could I have this dance for the rest of my life?
Could I have this dance for the rest of my life?
Would you be my partner every night?
When we're together, it feels so right
Could I have this dance for the rest of my life?
