

# Anne Murray, For No Reason At All

Sometimes I almost stop my breathin'  
When I think how much I love you  
And sometimes I feel like cryin'  
For no reason at all  
Sometimes I feel that I can't take it  
Seeing all that love coming back from your eyes  
And sometimes I feel like cryin'  
For no reason at all  
Sometimes I get a little crazy  
I think of you and my head gets hazy  
And sometimes I just can't think at all  
Ooh baby, I love you  
Sometimes when I feel myself reachin' for you  
I can't believe you're lyin' there beside me  
And sometimes I feel like cryin'  
For no reason at all  
Sometimes I get a little crazy  
I think of you and my head gets hazy  
And sometimes I just can't think at all  
Ooh baby, I love you  
Sometimes when I feel myself reachin' for you  
I can't believe you're lyin' there beside me  
And sometimes I feel like cryin'  
For no reason at all, for no reason at all
