

Anne Murray, I'll Always Love You

Standin' by my window, listenin' for your ca-all
Seems I really miss you after all
Time wo-on't let me keep these sad thoughts to myself
I'd just like to let you know, I wish I'd never let you go and -

I'll always love you, deep inside this heart of mine
I do love you
I'll always need you and if you ever change your mind
I'll sti-ill, I-I will, lo-ove you

Wish you'd never left me but love's a mystery-y
You can break a heart so easily
The days and the nights reveal how much I fee-eel for you
Time has come for me to see
How much your love has meant to me-ee-ee

I'll always love you, deep inside this heart of mine
I do love you
I'll always need you and if you ever change your mind
I'll sti-ill, I-I will, lo-ove you

Time, like a river keeps on rollin' right on by-y
Seems like nothin's left for me
So I'll just watch the river rise

I'll always love you, and deep inside this heart of mine
I do love you
I'll always need you and if you ever change your mind
I'll sti-ill, I-I will, I-I'll still, I-I will, lo-ove you
