

# Anne Murray, Just Another Woman In Love

I'm strong, I'm sure, I'm in control, a lady with a plan  
Believing that life is a neat little package I hold in my hand  
I've got it together, they call me  
"The girl who knows just what to say and do"  
Still I fumble and fall, run into the wall 'cause when it comes to you  
I'm just another woman in love, a kid out of school  
A fire out of control, just another fool  
You touch me and I'm weak, I'm a feather in the wind  
And I can't wait to feel you touching me again  
With you I'm just another woman, just another woman in love  
So pardon me if I should stare and tremble like a child  
That wanting me look all over your face is driving me wild  
I'm just what you make me, can't wait 'till you take me  
And set all my feelin's free  
I know that you can so come be my man, tonight I wanna be  
Just another woman in love, a kid out of school  
A fire out of control, just another fool  
You touch me and I'm weak, I'm a feather in the wind  
And I can't wait to feel you touching me again  
With you I'm just another woman, just another woman in love  
Just another woman in love, a kid out of school  
A fire out of control, just another fool  
You touch me and I'm weak, I'm a feather in the wind  
And I can't wait to feel you touching me again  
With you I'm just another woman, just another woman in love
