

Anne Murray, Rainin' In My Heart

The sun is out, the sky is blue
There's not a cloud to spoil the view
But it's rainin', rainin' in my heart
The weatherman says, "Clear today"
He doesn't know you've gone away
And it's rainin', rainin' in my heart
Oh, misery, misery
What's gonna become of me?
I tell my blues, they mustn't show
But soon these tears are bound to flow
'Cause it's rainin', rainin' in my heart
'Cause it's rainin', rainin' in my heart
And it's rainin', rainin' in my heart
Oh, misery, misery
What's gonna become of me?
I tell my blues, they mustn't show
But soon these tears are bound to flow
'Cause it's rainin', rainin' in my heart
Rainin' in my heart, rainin' in my heart
