

Anne Murray, Wrong End Of The Rainbow

I know this feeling from somewhere
I know I've been here before
The one I love forever
Doesn't love me anymore
So here I am, heartache
My only friend
Wrong end of the rainbow again
I was looking for true love
But I didn't get far
Before I tied all my heartstrings
To some falling star
Now, here I am, heartache
My only friend
Wrong end of the rainbow again

Between the winning and losing
There's a very fine line
This time I felt like a winner
When I was losing all the time
I get this rainy day feeling
That I'm gonna be blue
I thought the day that I found him
I'd seen the last of you
But here I am, heartache
My only friend
Wrong end of the rainbow again
Wrong end of the rainbow again
