

# Anne Sofie von Otter, I Am Just A Girl

I am just a girl, one among the others, nothing much to say  
Plain and simple girl, not a special type in any way  
Just one look, and you will surely see that the true Miss Nobody is me  
It's an evil world that has only made me a girl  
I am just a girl, not the kind of woman men would like to meet  
Just another girl, no one ever looks at in the street  
But today I can't believe it's true when you smiled and whispered 'I love you'  
Darling, I could see, I was meant to be your girl  
It's a funny feeling when you get to love someone  
And thinking that he'll never look your way  
But then he says he loves you and life has just begun  
It's so much more than any words can say  
I am just a girl, not the kind of woman men would like to meet  
Just another girl, no one ever looks at in the street  
But today I can't believe it's true when you smiled and whispered 'I love you'  
Darling, I could see, I was meant to be your girl  
But today I can't believe it's true when you smiled and whispered 'I love you'  
Darling, I could see, I was meant to be your girl  
Darling, I could see, I was meant to be your girl
