

Anne Sofie von Otter, I Am Just A Girl

I am just a girl, one among the others, nothing much to say
Plain and simple girl, not a special type in any way
Just one look, and you will surely see that the true Miss Nobody is me
It's an evil world that has only made me a girl
I am just a girl, not the kind of woman men would like to meet
Just another girl, no one ever looks at in the street
But today I can't believe it's true when you smiled and whispered 'I love you'
Darling, I could see, I was meant to be your girl
It's a funny feeling when you get to love someone
And thinking that he'll never look your way
But then he says he loves you and life has just begun
It's so much more than any words can say
I am just a girl, not the kind of woman men would like to meet
Just another girl, no one ever looks at in the street
But today I can't believe it's true when you smiled and whispered 'I love you'
Darling, I could see, I was meant to be your girl
But today I can't believe it's true when you smiled and whispered 'I love you'
Darling, I could see, I was meant to be your girl
Darling, I could see, I was meant to be your girl
