Anneli Marian Drecker, Song of the sky loom [live

Anneli Marian Drecker Tundra Song of the sky loom [live] (lyrics from a native american poem from tewa) O, our mother the earth O, our father the sky your children are we / And we bring you gifts you love Then leave us a garment of brightness May the warp be the white light of morning May the weft be the red light of evening May the fringes be the falling rain May the border be the standing rainbow Thus weave for us a garment of brightness That we may walk fittingly where birds sing That we may walk fittingly where grass is green O, our mother the earth O, our father the sky
