TRAIN OF LOVE

Annette & the Afterbeats

Oh the train of love keeps a movin' on down the track

Well I left so fast that I even forgot to pack

Well I called my baby on the telephone

Told him to meet me at the station, 'cause I'm coming home. Ya Ya

Woo woo, shovel more coal in the fire (wooo wooo...wooo wooo)

Well I'm coming home..home to my desire (wooo wooo...wooo wooo)

Well I miss him so, how much you'll never know

And when I get back I'll never let him go. No No

Oh my heart keeps beatin', beatin' away

It seems to tell me.. It seems to say

Get right home, just as quick as you can

Into the arms of your loving man

Oh the train of love keeps a movin' on down the line (wooo wooo...wooo

wooo) Well on the locomotive there's a number ninety-nine (wooo

wooo...wooo wooo) That's for ninety-nine kisses I'm a gonna give And

ninety-nine hugs and we're gonna live. Ya Ya

Guitar Solo

Oh my heart keeps beatin', beatin' away

It seems to tell me.. It seems to say

Get right home just as quick as you can

Into the arms of your lovin' man

Oh the train of love keeps a movin' on down the line (wooo wooo...wooo

wooo) Well on the locomotive there's a number ninety-nine (wooo

wooo...wooo wooo) That's for ninety-nine kisses I'm a gonna give And

ninety-nine hugs and we're gonna live. Ya Ya

That's for ninety-nine kisses I'm a gonna give

And ninety-nine hugs and we're gonna live. Ya Ya

That's for ninety-nine kisses I'm a gonna give

And ninety-nine hugs and we're gonna live. Ya Ya
