

Anni Frid Lyngstad, Don't Do It

Anni Frid Lyngstad

Miscellaneous

Don't Do It

Don't do it

Don't do it

Don't look at me the way you do

Don't do it

Those eyes of yours

Are much too blue

Don't do it

Don't do it

Don't make me think

This could be true

Don't do it

These lips so close

Belong to who

Don't do it

Don't come closer

Stay away from me

My heart is not prepared

Why don't we wait and see

Please give it time

Don't do it

Don't look at me the way you do

Don't do it

Those eyes of yours

Are much too blue

Don't do it

I'm falling, falling, falling

I'm falling in love with you

I'm falling, falling, falling

And there is nothing I can do

You're falling, falling, falling

You're falling the same way too

We're falling, falling, falling

And there is nothing we can do

Don't do it darling

Don't do it

Don't call me back

I have to go

Don't do it

Oh, my resistance running low

Don't do it

Don't do it

Don't tell me what I need to know

Don't do it

Oh, I may never let you go

Don't do it

Don't come closer

Stay away from me

My heart is not prepared

Why don't we wait and see

Please give it time

I'm falling, falling, falling

I'm falling in love with you

I'm falling, falling, falling

And there is nothing I can do

You're falling, falling, falling

You're falling the same way too
You're falling, falling, falling
And there is nothing we can do

I'm falling, falling, falling
I'm falling in love with you
I'm falling, falling, falling
And there is nothing I can do
You're falling, falling, falling
You're falling the same way too
You're falling, falling, falling
And there is nothing we can do
