Anni Frid Lyngstad, Heart Of The Country

Anni Frid Lyngstad Miscellaneous Heart Of The Country A candle burns in the Heart of the country The flame fades though I see to it sadly It takes me further away Than I have ever been

I wait and the darkness comes I pray for my only one And I wonder if you ever Will see this land again

We took this land And we brought it goodness It's taken everything And left only emptiness I am not broken Although I have the seeds in me

I wait and the darkness comes I pray for my only one And I wonder if you ever Will see this land again

I hide my face against the sun I hide my fear from everyone But I've had enough of secrets They're all lies we're scared to tell I just need someone to be with I just need to say you fell There's nothing out here But me and a whisper And now it's failing I won't even listen I watch the fall and it's Time that I was leaving too

I wait and the darkness comes I pray for my only one And I wonder if you ever Will see this land again

I wait and the darkness comes I pray for my only one And I wonder if you ever Will see this land again

I wait and the darkness comes I pray for my only one And I wonder if you ever Will see this land again

I wait and the darkness comes I pray for my only one And I wonder if you ever Will see this land again
