

# Annie, Don't Stop

(\*Annie, P. Epworth, H. Bjornsdottir)

Don't stop (3x)

I can't stop, that's what I got  
because tonight I'm gonna keep on going  
All I know is who I am and  
I'll never be afraid to show it.  
I won't stop because I'm on top and  
you're never gonna knock me off  
What I say and what I do are the same thing  
Don't you know it?

Oh, on your wrist I'll no longer need  
to be afraid of the unknown  
I'll be the flame, you'll be the fuel  
If you resist my kiss and miss my lips  
you know you crossed the line.  
You play by my rules.

Let's go!

You have no control  
I said Oh! Wanna know?

Don't stop

Let's go!

Don't you stop, I know you won't because  
I'm gonna make you keep on movin'  
I dress you up to dress you down and  
I'm gonna keep the rhythm groovin'  
I've got you set in my sight  
I'm loaded, ready to fire  
Wait until you're in the same place  
and you know I won't make it hard

Oh, on your wrist I'll no longer need  
to be afraid of the unknown  
I'll be the flame, you'll be the fuel  
If you resist my kiss and miss my lips  
you know you crossed the line.  
You play by my rules.

Let's go!

You have no control  
I said Oh! Wanna know?

Don't stop

Let's go! (Let's go)

I said go! (I said go)

I'm on

Let's go!

You have no control (You have no control over me)

Don't tell the rest to make me (???)

Tell me the time that you baby will choose.

Baby, I'm blind...

But you're playing by my rules

Let's go (Let's go)

You have no control (You have no control over me)

I said Oh! (I said oh)

Wanna know? (Wanna know)

Don't stop (You can't stop me baby)

Let's go (Let's go)

I said go! (I said go)

I'm on (I am on, I am on, I am on)

Let's go (Let's go)

You have no control (You have no control over me)

Don't stop (6x)
