

# Annie, I Will Get On

Well I know  
It wasn't really meant to happen  
I tried to  
You never ever cared to listen  
You say you don't want me around  
When I am feeling down  
And won't be there to hold my hand  
If I don't see your face again  
I guess I need a brand new friend  
Who will be there in every way

Hey come along and watch my game  
Why can't you see  
I don't need anyone?  
All on my own I will get on  
Remember you will be the only one  
The lonely one

Ooh, why  
You make it feel like it is  
You and I  
When there is nothing left to  
What we had  
It took me much too long to see  
That I  
I will get on

Take your time  
And realize your misdemeanor  
Then you'll find  
Your selfish (?) days are over  
If I could ever turn back time  
I wish you could be my  
Everlasting, trusted friend  
I must been blind I couldn't see  
That you were never meant for me  
How stupid could I be?
