

# Annie Lennox, A Thousand Beautiful Things (Bimbo Jones)

A thousand beautiful things  
A thousand beautiful things  
Every day I write the list  
Of reasons why I still believe they do exist  
And even though it's hard to see  
The glass is full and not half empty  
So, light me up like the sun  
To cool down with your rain  
I never want to close my eyes again  
Never close my eyes, never close my eyes  
A thousand beautiful things  
I thank you for the air to breathe  
The heart to beat, the eyes to see again  
And all the things that's been and done  
The battle's won, the good and bad in everyone  
So, here I go again  
Singin' by your window  
Pickin' up the pieces  
Of what's left to find  
A thousand beautiful things  
Every day I write the list  
Of reasons why I still believe they do exist  
And even though it's hard to see  
The glass is full and not half empty  
So light me up like the sun  
To cool down with your rain  
I never want to close my eyes again  
Never close my eyes, never close my eyes  
The world was meant for you and me  
To figure out our destiny  
And all the things that's been and done  
The battle's won, the good and bad in everyone  
So, here I go again  
Singin' by your window  
I never want to close my eyes again  
Never close my eyes, never close my eyes  
A thousand beautiful things  
A thousand beautiful things
