

# Annie Lennox, Fingernail Moon

Fingernail moon... up in the sky  
come out and see me  
see me some time  
cuz I'm here alone  
stuck in the blue  
no distance between us  
between me and you  
I've got nothing to hide  
I got nothing to loose  
You'll be by my side  
Common tell me the truth...

Blah blah blah...  
you cut like a knife  
It does me no favors...  
Stay out of my site  
Blah like glass  
all ancient and new  
ohhh... blah blah between us  
between me and you  
there's no need to be shy  
there's no need to be scared

I need you tonight  
Come on out if you dare

I'm just a girl with ma feet on the ground I'm just a girl with ma head going round  
I feel so sad  
Something unsettling out of ma skin  
I don't know the reason or were to begin  
Calling the circles I found ma self in  
I want to reach out and touch you ma sweet  
Circle you...  
Up in the sky  
come out and see me  
see me some time  
cuz I'm here alone  
After all I've been through  
were the distance between us  
between me and you  
It don't matter how long  
It don't matter how far  
I'll need you tonight  
under the stars
