

Annie Lennox, Heaven

Heaven is the home of the hearts
And heaven don't tear you apart
Yea heaven is the home of the hearts
And heaven don't tear you apart

There's too many kinks wanna hold you down
And the world is a window gone underground
There's a hole in the sky where the sun don't shine
And a clock on the wall and it counts my time

Heaven is the home of our hearts
And heaven don't tear you apart

There's a song on the air with a love-you-line
And a face in a glass and it looks like mine
And I'm standing on ice when I say that I don't hear planes
And I scream at the fools wanna jump my train

Heaven can take you up take you high
Take you up to the place
Where you're gonna find peace
Peace in your heart
Peace in your heart
You don't have to suffer...
