

# Annie Lennox, Money Can't Buy It

Money can't buy it...baby  
Sex can't buy it...baby  
Drugs can't buy it...baby  
You can't buy it...baby

I believe that love alone might do these things for you  
I believe in love alone yea yea

Take the power to set you free  
Kick down the door and throw away the key  
Give up your needs... Your poisoned seeds  
Find yourself elected to a different kind of creed

I believe that love alone might do these things for you  
I believe that love alone might do these things for you  
I believe in the power of creation  
I believe in the good vibration  
I believe in love alone yea yea

Won't somebody tell me what we're coming to  
It might take forever till we watch those dreams come true  
All the money in the world won't buy you peace of mind  
You can have it all but you still won't be satisfied

Money can't buy it...baby  
Sex can't buy it...baby  
Drugs can't buy it...baby  
You can't buy it...baby

Now... Hear this  
Pay attention to me!  
'Cause I'm a rich white girl and it's plain to see  
I got every kind of thing that the money can buy  
Let me tell you all about it  
Let me amplify  
I got DIAMONDS!  
You heard about those  
I got so many that I can't close my safe at night  
In the dark  
Lying awake in a sick dream...

I believe that love alone might do these things for you  
I believe that love alone might do these things for you  
I believe in the power of creation I believe in the good vibration  
I believe in love alone yea yea
