

# Annie Lennox, No More I Love You's

Do be do be do do do oh  
Do be do be do do do oh

I used to be a lunatic from the gracious days  
I used to feel woebegone and so restless nights  
My aching heart would bleed for you to see

1-Oh, but now

I don't find myself bouncing home  
Whistling buttonhole tunes to make me cry

No more I love you's  
The language is leaving me  
No more I love you's changes are shifting  
Outside the words

No one ever speaks about the monsters

I used to have demons in my room at night  
Desire, despair, desire  
So many monsters  
(rpt 1)

2-No more I love you's  
The language is leaving me  
No more I love you's  
The language is leaving me in silence  
No more I love you's  
Changes are shifting outside the words

And people are being real crazy  
And you know what mommy?  
Everybody was being real crazy  
And the monsters are crazy.  
There are monsters outside  
(rpt 2, 2,...)

Do be do be do do do oh  
Outside the words
