

Annie, Songs Remind Me Of You

Once upon a time there was a girl
Met a boy that said he'd change the world
Promises he only made for me
Vanished into what it cannot be
Music so good, music so clear
Music so good, music so clear
Every song I hear reminds me of you, of you
Does it make you feel the same as I do?
It's the song that sounds so good
How does it feel to hear your songs on the radio?
And does it hurt to hear your songs on the radio?
How does it feel to hear your songs on the radio?
And does it hurt to hear those songs on the radio? Radio
It doesn't matter where I seem to be
The sound of you remains eternally
Rewind it back so I can start again
And play it 'til I reach the very end
Music so good, music so clear
Music so good, music so clear
Every song I hear reminds me of you, of you
Does it make you feel the same as I do?
It's the song that sounds so good
How does it feel to hear your songs on the radio?
And does it hurt to hear your songs on the radio?
How does it feel to hear your songs on the radio?
And does it hurt to hear those songs on the radio? Radio
How does it feel? How does it feel?
How does it feel? How does it feel?
How does it feel? How does it feel?
How does it feel? How does it feel?
How does it feel to hear your songs on the radio?
And does it hurt to hear your songs on the radio?
How does it feel to hear your songs on the radio?
And does it hurt to hear those songs on the radio? Radio
