

Annie, The Breakfast Song

(*Annie, T. Kaukolampi {Produced by Timo Kaukolampi})

What do you want, what do you want for breakfast? (3x)

What do you want?

Tell me, what do you want?

What do you want, uh? (2x)

Get out of town, it's time to eat

You know what I was thinking

A sunny day, it's you and me

A know that you've been drinking

We'll have a swim, I know you'll win

Let's hope that I'm not sinking

A holiday, what can I say

What can I say (u-u-uh)

No time to sleep, we'll have some fun

You know what I was thinking

Boy listen up, it's time to go

You know you make me happy

You didn't know what time to, so

You know what I was thinking

Let's do it once, or maybe twice

That will be enough (u-u-uh)

What do you want, what do you want for breakfast? (3x)

What do you want?

Tell me, what do you want?

What do you want, uh? (2x)

Gonna have a good time, baby

Come on

Gonna have a fun time, hey boy

Uh-Huh

Gonna have a good time, baby

Come on

Got myself a fun time, hey boy

Uh-Huh

Coffee and TV

(What do you want) (2x)

All you want from me

(What do you want) (2x)

I know you know me

(What do you want) (2x)

I love you, love me

(What do you want) (2x)

What do you want, what do you want for breakfast? (3x)

What do you want?

Tell me, what do you want?

What do you want, uh? (2x)

What do you want?

Tell me, what do you want?

What do you want, uh?

[Repeat Until End:]
