

Annihilator, Anything For Money

I'd sell my mother and I'd steal from the blind
Just to have every last nickel and dime
Break-ins and muggings, I'll try to defraud
I'll run up the bill on your credit card
Anything for money
I'll sell a secret and betray the land
Robbing a friend, isn't larceny grand
Buying and selling, the running of guns
I run from the law but embezzle their funds
Anything for money
Anything for money
Hundreds of thousands without a concern
Millions and billions there's money to burn and I Want it all
I'll try to sue you and take you to court
And if I have to blackmail and extort
Taking the money to fund my research
Swindling millions by using the church
Anything for money
Anything for money
Hundreds of thousands without a concern
Millions and billions there's money to burn and I Want it all
