

# Annuals, Hot Night Hounds

Do you like it?  
Do you like to hear them howl?  
Those hot night hounds  
Do you want it?  
It's not to be had  
But I want it so  
Do you feel it?  
Do you feel the song down your throat?  
Let it out, or let it choke  
Can't you hear it?  
Can't you hear it as it floats on by?  
Shut your eyes and say goodbye  
Goodbye
